NEWSLETTER NOVEMBER 2018

Say hello to our new Head Teacher Alice with Teacher Timothy and the children who have recently sat their Kenyan Certificate of Primary Education exam.

The next step for the school is to get it registered as an exam centre by the end of 2019

Thank you for your part in ensuring they have an education!

Great news: *We have the landand it is fenced off!!!*

TabS Kenya Trustees have negotiated and purchased this on our behalf. It is the intention of Trustees/Staff to expand the school to make provision for senior students year 1; as well as provide a much needed new kitchen for the cook and a project office along with social enterprise workshops. We are so grateful to you our supporters by your giving, enabling us to purchase this plot and increase the opportunities for the school, as well as ensuring other children are able to join us as classes move up annually.

**Thank
You**
