We are also grateful for the above teachers who are devoted in changing the lives of the children through education. They play an important role in the success of the project especially now in new curriculum transition which require more efforts, parental engagement and regular provision/ improvisation of learning materials. Greetings to all, kindly receive result for national examination (KCPE) released on 15.04.21. Luckily, 3 learner's managed to achieve 300 marks and above, with 328 being the highest. 4 out of 22 candidates scored above average (250 marks) while 8 pupils attained above 200 marks. This was indeed a relative good performance (mean of 226.7), considering there was disrupted learning brought by covid-19. We look towards continuing working hard to improve both academic and code of conduct performance this year 2021. Thank you for the support! Moses.

Computers Arrive

We are so grateful to our Friends of Tabs for continuing to support our work during these Covid 19 times. We are unable to fundraise as we would normally so your faithfulness in regular giving is much appreciated.

WE DID IT!!!!!! 🎉🎉🎉

There is a saying that states 'it takes a village to raise a child'

I now know that it takes several Friends of Tabs with various skills and abilities to enable 30 computers Gifted by Grace Academy in Coventry to Tabs International, to finally, finally !!! achieve the goal of being delivered on 19th April 2021 to our school in Kiandutu, Thika Kenya, 7 months after the receipt of goods due to bureaucracy and form filling and finding the right Importer in Kenya.

With IT Support from Simon Danks, Trustee of Tools with a Mission along with local supporters, we have endured the stop start process knowing that it was for the long-term benefit of the school children in Kiandutu.

So, a huge THANK YOU to everyone who has helped in one way or another along the way, including our local Freight Forwarder Independent Freight International and our Tabs Kenyan Trustees, and Bedworth Parish Church.
